WELCOME
TO

Luther Bethea

Let not young souls be smothered out before
They do quaint deeds and fully flaunt out their pride.
It is the world's one crime its babes grow dull,
Its poor are ox-like, limp, and leaden eyed.
Not that they starve, but starve so dreamlessly,
Not that they sow, but that they seldom reap,
Not that they serve, but have no gods to serve,
Not that they die, but that they die like sheep.

Dedication

Alice Crutchfield

Lady, who with tender word
Didst keep the house of Christ the Lord,
Who didst set forth the bread and wine
Before the living Wheat and Vine,
Reverently didst make the bed
Whereon was laid the Holy Head
That such a cruel pillow prest
For our behoof, on Calvary's crest
Be beside me while I go
About my labors to and fro.

Guide the needle and the broom
Make my bread rise sweet and light,
Make my cheese come foamy white,
Yellow may my butter be. . .
As cowslips blowing on the lea.
Homely through my tasks and small,
Be beside me at them all.
Then when I shall stand to face
Jesus in the judgment place,
To me thy gracious help afford,
Who art the Handmaid of the Lord.

DEDICATION

When first thou on me, Lord, wrought thy sweet print,
My heart was made thy tinder box
My 'flections were thy tinder in't:
Where fell thy sparks by drops.
Those holy sparks of heavenly fire came,
Did ever catch and often out would flame.

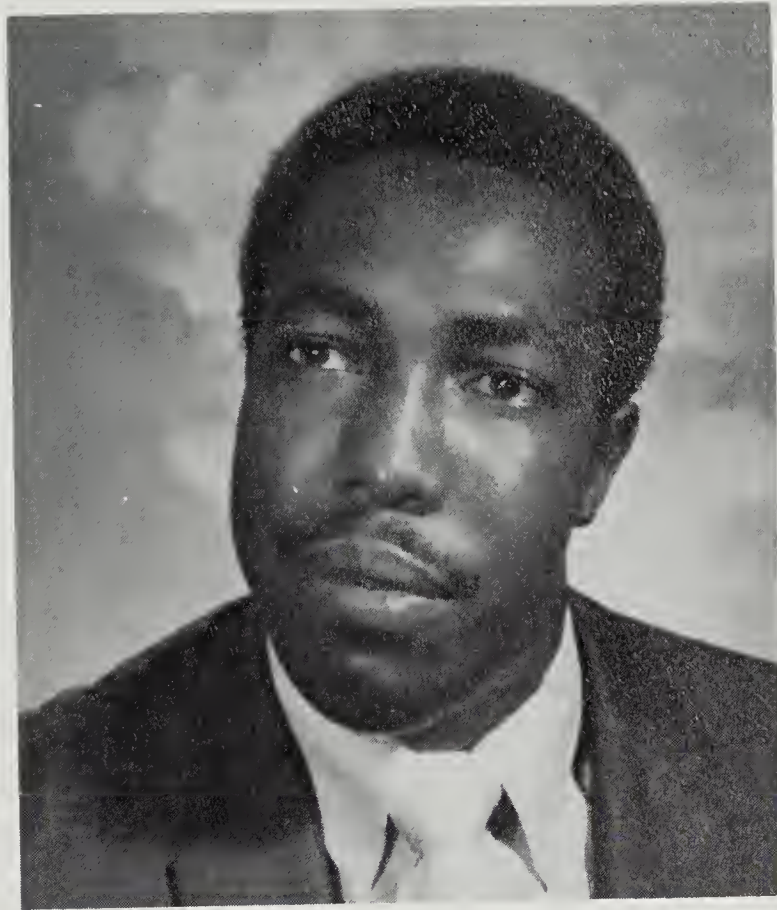

But now my heart is made thy censer trim,
Full of thy golden altar's fire,
To offer up sweet incense in
Unto thyself entire:
I find my tinder scarce thy sparks can feel
That drop out from thy holy flint and steel.

Hence doubts out bud for fear thy fire in me
'S a mocking Ignus Fatuus,
Or lest thine altar's fire out be,
It's hid in ashes thus.
Yet when the bellows of thy Spirit blow
Away mine ashes, then thy fire doth glow.

EDITORS MESSAGE

I want to express my thanks to everyone who helped this yearbook become a success. The staff has selected as its theme "Young Gifted and Black." "The Chain That Binds . . . A Combination of Links." From the Administration on down to the students, we realize that we must all combine our strengths in becoming a successful representative of Saint Paul's College emotionally, spiritually and economically. I congratulate the Seniors. They have worked hard and have just begun to cross another bridge. I wish the best of luck to all of them. To the Tigers of Saint Paul's, work hard and sooner than you think, it will all be over.

With Sincere Wishes,
James M. Crowder
Yearbook Editor

OFFICE OF THE PRESIDENT

December 17, 1970

The Members of the 1971 Senior Class
Saint Paul's College
Lawrenceville, Virginia 23868

Dear Friends:

It gives me great pleasure to address you at this time and to congratulate you upon the successful attainment of the milestone in your educational career which brings you to the eve of a great challenge undertaken several years past and, yet, to the dawn of even greater challenges.

It is my sincere hope that Saint Paul's College has managed in some way to equip you with the necessary tools and skills which will enable you to face with courage the future and the vast and chaotic world which lies beyond the walls of Saint Paul's College.

Soon you will have an Alma Mater, and please be reminded that her future role as a viable institution of higher education will depend in large measure on the continuing love and devotion of her sons and daughters.

The best of luck and godspeed to each of you in your endeavors to find your rightful place in the larger world and as you seek a life of dedicated service and worthwhile citizenship.

Sincerely yours,

Edward I. Long

OFFICE OF THE DEAN

December 15, 1970

Dear Graduate:

Although this letter is written well in advance of your graduation, I address you as Graduate because by the date that the "Tiger" is delivered to you, you will indeed be a graduate of Saint Paul's College.

I congratulate you on your accomplishment, but I want you to know that the receiving of a degree is but an indication of the responsibility that you face after the diploma has been placed in your hand. Your college and the world in which you will move will expect, and rightfully so, a contribution to the social order. Your degree will be conferred "with all the rights and privileges", but I want you to understand that with the rights and privileges must go "obligations", or the degree will be of no value.

Your degree will signify that you have developed skills and that you have accumulated knowledge. It must also signify that you have developed the ability to do critical thinking.

Today there is much strife not only between the nations of the world, but between individuals. There is a great need for a mediating force, and you must be an important part of this force if the differences which exist between individuals, races, and nations are to be resolved.

I wish for you every success, and I look forward to learning of the contribution that I hope you will make toward the upward move of mankind.

Sincerely yours,

T. H. E. Jones

The Saint Paul's College Tigers' Cheer Leaders

The Women's Athletic Association is composed of the Women of Saint Paul's College. The major purpose of this organization is to enable the women of S.P.C. to take an active part in athletics.

The WAA visits other schools and participate in Intercollegiate competition; such as: basketball, softball, touch football, indoor games, etc.

S.P.C. is very proud of the showing the WAA has made in previous years and this year, in Intercollegiate Activities.

Occasionally, the WAA will hold or sponsor fund raising activities, which quite often turn out to be a mountain of fun for every one. Their latest activity included a Faculty-Student Volleyball Game, which turned out to be quite successful.

May the WAA continue to foster such beneficial and interesting programs. S.P.C. and the Yearbook Staff congratulates you.

CAN YOU REMEMBER

THE GOOD OLD DAYS

Tigers trip Trojan five by 100-92

By Staff Writer

The Virginia State Trojans are averaging six points a game less than they are giving up, and last Saturday wasn't much different.

The Trojans lost to Saint Paul's by eight, 100-92, but despite the little difference in their offensive and defensive averages the loss was the 13th in 14 games for the Trojans.

SAINT PAUL'S picked up its 15th win in 18 games. The Tigers were led by Mike Green with 29 points. Green, a freshman, leads the Tigers 20.6 average. Alton Darden (18.2), Arthur Wynder (17.5) and Roy Gross (11.3) have been providing the balanced scoring for the Tigers.

Virginia State's Reginald Roach leads the team in scoring with an 18.3 average and ranks 10th in the CIAA in rebound average (14.1).

Tigers Take Fayetteville, Union, and State

The fired-up Tigers managed to fight off a last minute rally by Fayetteville State College to avenge an earlier loss to the pesky Broncos. The Tigers finished the game with all five starters in double figures. Final score Tigers 96, Fayetteville 94. Arthur Wynder led the victors in scoring with 26 points followed by Alton Darden and Mike Green with 25 and 22 points, Roy Gross and Alton Darden pumped in 13 and 10 points respectively.

Fayetteville dominated the first half and managed to hold on to a two point margin at intermission. The Tigers picked up momentum in the second half on baskets by Wynder and Green, added by the near perfect foul shooting of Darden. The Broncos stayed in the contest mainly because of the 19 point effort of Monroe. At one point in the half the Tigers had a nine point advantage but stubborn Fayetteville refused to give up the game without putting up a fight. The lead finally

seided away but we Tigers had the clock on their side.

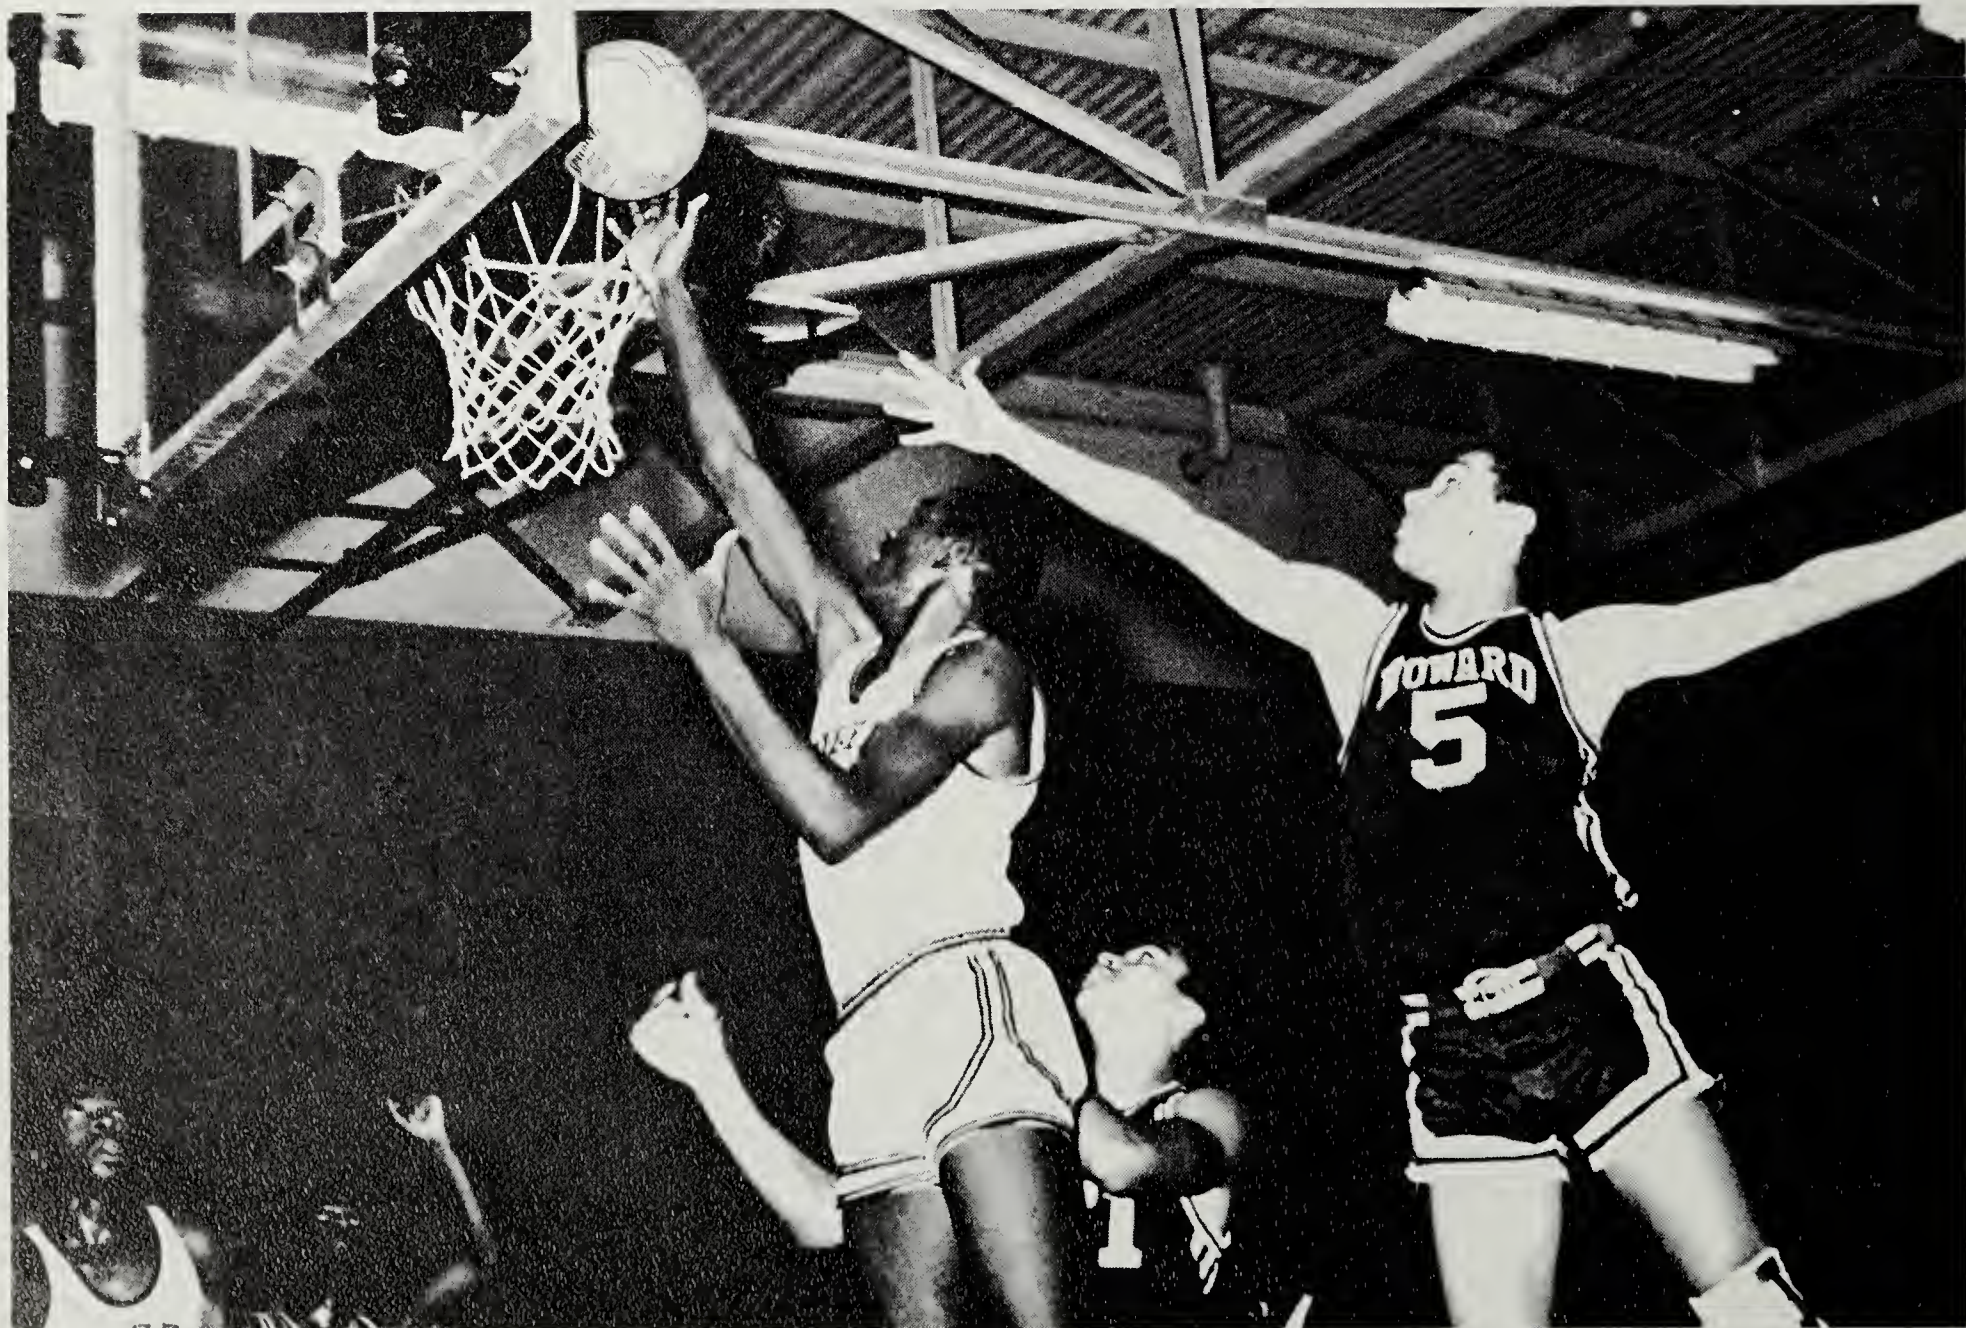

In other games during the past two weeks the Tigers exploded for 76 points in the second half to defeat Mike Davis and company of Virginia Union. Mike Davis's 59 points in the game were overshadowed by the dramatic and controversial ending of the contest. The game appeared to be over before Mike Green scored the tying points at the end of regulation play, but the officials signaled the basket good and the game went into its first overtime. At the end of regulation play the score was 82 all.

With the score 96-94 Union managed to tie the game to send it into its second overtime. This was the second incident in which a judgement call by the officials could have ended the game. The question was whether or not the Union player was fouled making the lay-up. Nevertheless, no foul was called and the Tigers went

on to win the game 111-101. Mike Green was the leading scorer with 30 points, followed by Roy Gross and Alton Darden with 16 and 14 points respectively.

The Tigers had very little trouble with State in the first half of their game. The Tigers established a sixteen point lead at half-time on baskets by Wynder and Green with 16 and 10 points respectively.

The going in the second half was not so easy, as Roach and Wilson provided a good one, two punch for State, scoring 16 and 13 points in the half. The Tigers lead was cut to two points, with 3 minutes left in the contest, before they managed to pull away and win the game 100-92. While stalling for time in the final minute Roger "Tricky" Henry showed a stunned and perplexed State how to handle the ball. With the score 98-92, Mike Green was fouled; it was a one and one situation, Mike made the first basket, held up one finger to signify only one more point was needed to reach a hundred, and calmly made the basket.

HOMEcoming

1970

Don't look so worried, Sam!

You'll make it if you try Flen.

Having fun Beverly?

Those everloving Tigers . . .

Victory! Victory, is our cry, we love the Tigers: guess why, because we'll fight Until the day we die.

Miss Margaret Cabiness, our HOMECOMING QUEEN

Queen's Court: Sen. Marva White, Jun. Katrina Hamilton, Soph. Anita Waller, Fr. Peggy Davis.

Mark time with the band at half time

Look at those Tigers go!

The game must be thrilling.
Look how Mickey is trying to take the show!

Homecoming is that time of the year when we all put our talents together for an exciting week of events. There are floats to be made, evening wear is in the minds of all those who plan to attend the coronation ball, and most of all, the tension increases as the time approaches for the big kick off. Our Tigers fight hard to bring our team to victory through rain, snow, sleet, or sunshine. The Freshmen sing along with upperclassmen and alumni our alma mater "Dear Saint Paul's" as they wear their beanies proudly for the last time. Initiation is all over!

THE STUDENT-FACULTY COUNCIL

OFFICERS: Mr. Douglas Jones, Treasurer, Mr. Samuel Roberts President, Miss Katrina Hamilton, Secretary, Miss Mildred Jeter, Vice President, and Miss Lelia Coleman, Corresponding Secretary.

The Student-Faculty Association is composed of the students and faculty of the College. The responsibility for the administration of this organization is in the hands of a representative body known as The Student-Faculty Council.

The Association was established to develop a cooperative spirit between the faculty and the students to promote the social well-being of the Saint Paul's Family.

THE MEN'S COUNCIL

OFFICERS: Horace Satisfield, Treas., William Herrington, President, Theodore Jones, V. P., Michael Hunter, and Ike Rabb, Secretary.

The main objective of the Men's Council is to improve the living conditions in Emery Hall. The comfort and well-being of each young man depends in part on an atmosphere which is conducive to his education, and since he spends most of his time in Emery Hall, it is our duty to see that he can adjust properly.

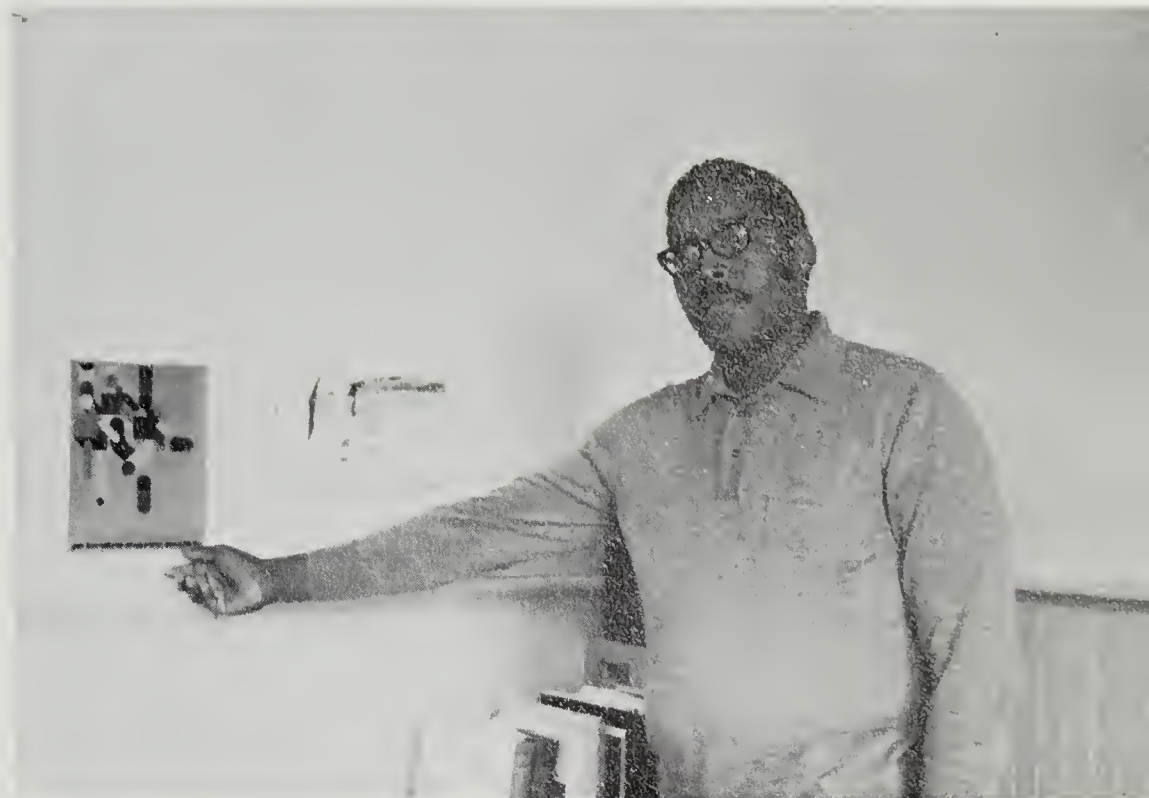

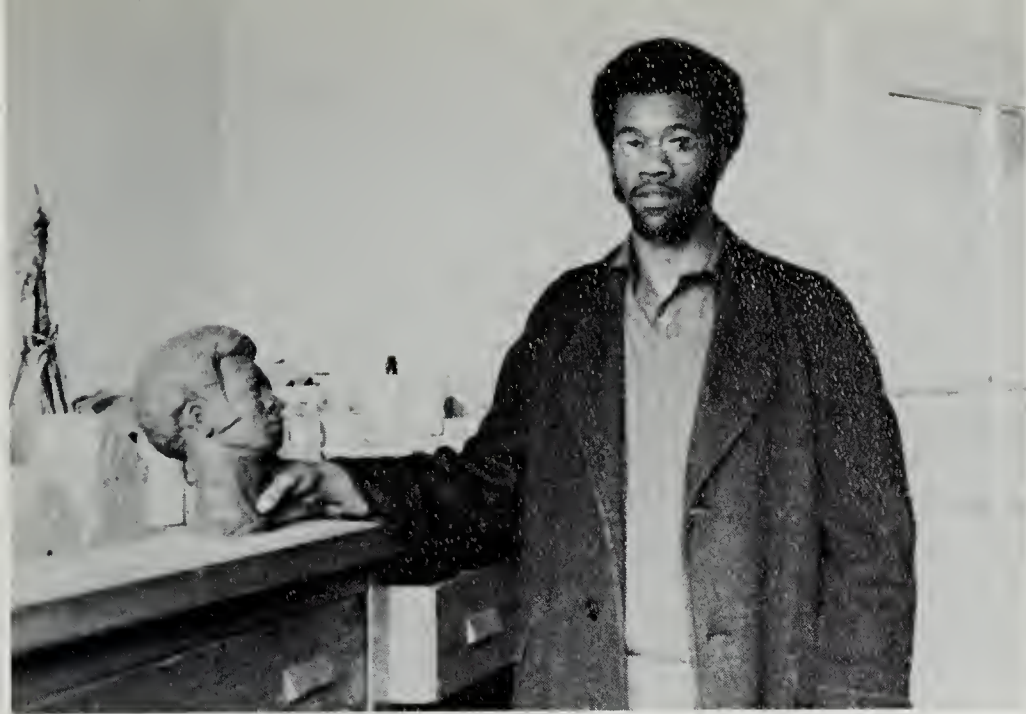

THE COUNCIL WOMEN'S

OFFICERS: Cynthia Crawford, Pres., Katrina Hamilton, V. P., Sandra Harris, Sec., and Gale Johnson Treasurer.

The main objectives of the Women's Council are to initiate activities centered around the living accommodations of Holt Hall.

The Art Club is designed to give all students, if they desire, to be discovered. Activities planned for this year include Evans Thompson's Drawings better known as "E J", the Puppets Dream, The Sword & Flute and A Choreographer at Work (A Film).

THE ART CLUB

MISS UNCF

Miss Brenda Goodman,
Junior

It is a custom of most Black Colleges and Universities to participate in a fund raising campaign to better aid Black Students in a higher educational program. This year, Miss Brenda Goodman was successful in raising the highest amount as a representative for Saint Paul's College. She participated in the activities held at the Convention in Atlanta, Georgia.

The members of the Phi Beta Lambda Club

Phi Beta Lambda is a national organization for business students. Its aims are to develop competent, aggressive business leadership; to create more interest and understanding in the intelligent choice of business occupations; to encourage improvement in scholarship; to promote school loyalty; to develop character, and to train for useful citizenship.

THE SCIENCE CLUB

These are our future Doctors and Research Technologists. Good Luck!

Like any other group on campus, the Science Club is organized to give students in that related area an awareness of their field not only from books, but from participation in projects, listening to lectures, and sponsoring activities which will encourage others to probe into the mysterious realm of science.

T H E F R E N C H C L U B

The Veterans Club, recently organized and chartered, was formed to give those who served in the Armed Forces a chance to put their heads together to try and make campus life at Saint Paul's more interesting. Members who have served in Viet Nam have giving rewarding views on the Nature and Crisis of the War. These young men have helped in many instances to clear up many misconceptions that we form about foreign affairs. One of their programs for this year was Veterans Day at the College Chapel. Athur Borders is the president. May your club serve many, many more useful years at Saint Paul's.

THE S. N. E. A.

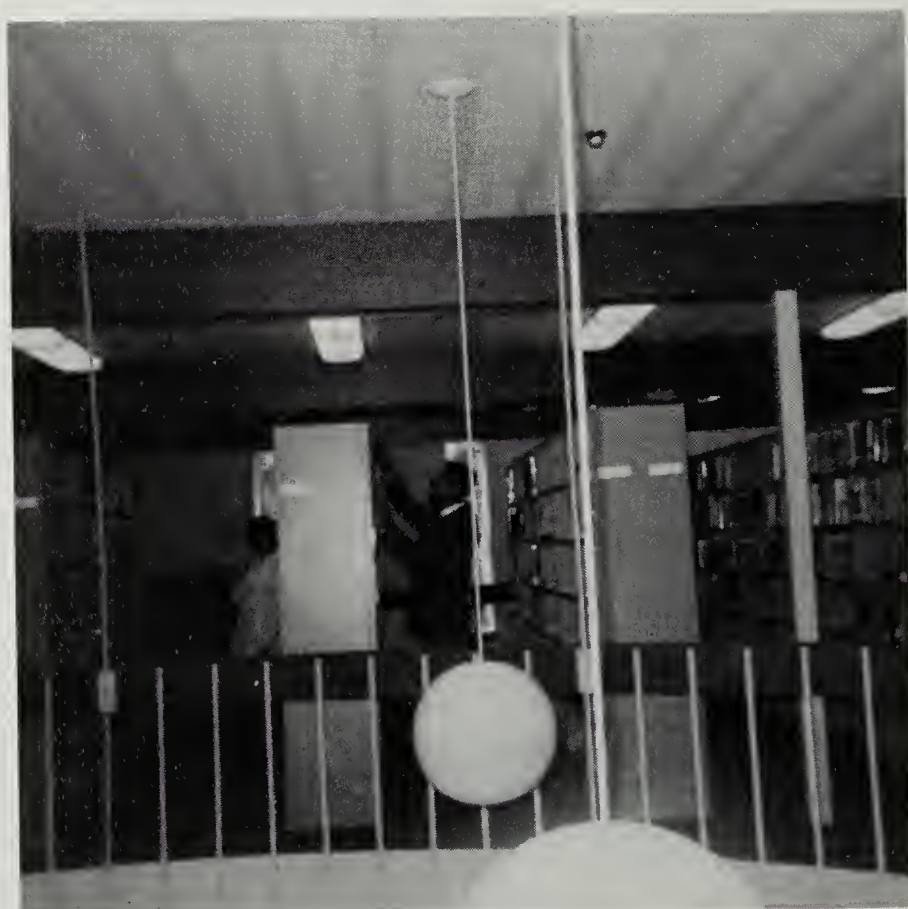

The purposes of this organization are to acquaint teachers in training with the history, ethics, and program of the teaching profession; to give practical experiences in working together in a democratic way on the problems of the profession; and to develop high standards of character and of scholarship in those students who are interested in teaching as a career.

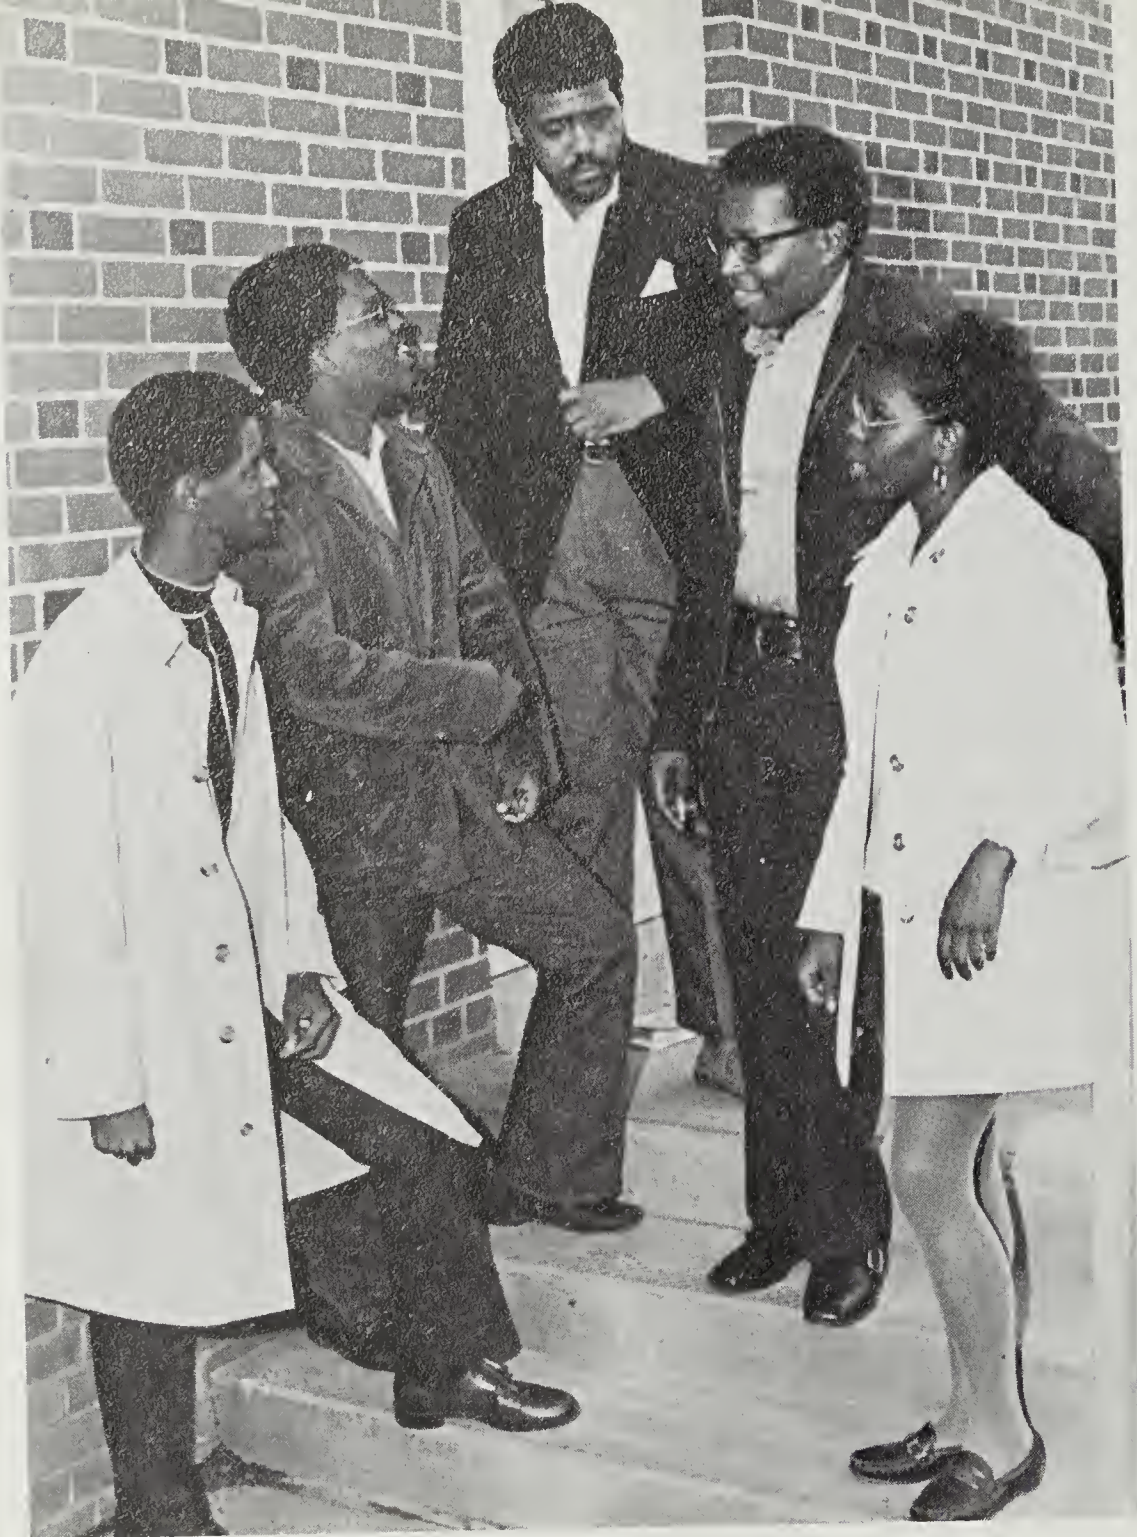

THE LIBRARY CLUB

The Library Club serves to promote the students of Saint Paul's College in a way that will encourage them to make good use of the library for their own educational benefit. Recently they sponsored a college bowl between the Freshman and the Juniors.

While on choir tour, Thomas Moore browses through the Lenox School Library in Massachusetts.

NEWSPAPER STAFF

The Student Journal, edited by Robert Booker and other students of the college has for its purpose the development of a journalistic interest in the undergraduates. Its articles and illustrations depict campus activities and student achievements, and it is a medium for the expression of student viewpoints. Its campus circulation is supplemented by exchange with the publications of many colleges.

Apes., Roosevelt Barbour And Glen Pair

The first Black Greek brotherhood of man, Alpha Phi Alpha Fraternity, Incorporated, was founded December 4, 1906 at Cornell University, Ithica, New York. Out of the Black personalities of Cornell Univ. came the Founding Jewels: Henry A. Callis, Charles H. Chapman, Eugene Kinckle Jones, George B. Kelly, Nathanile A. Murray, Robert H. Ogle, and Vertner W. Tandy. Alpha became interracial in 1945.

Delta Tau Chapter of Saint Paul's College was founded November 22, 1952. Like the Jewels of old, brothers are dedicated to "Manly needs, scholarship, and the progress of all mankind.

Alpha has participated in every progressive movement for good—staged on the American scene since its founding.

THE WINANT VOLUNTEERS

Miss Cynthia Crawford, Mr. Samuel Roberts, & Miss Jacquis Thurston

Americans, students mostly, who spend the summer in Britain at their own expense. These are the Winants. Named in honor of John G. Winant (former Ambassador to Britain), groups have been crossing the Atlantic every summer since 1948. It all started when the Rev. P. B. Clayton visited America seeking volunteers to come to London and help relieve the severe shortage of social workers in the immediate post-war period. The program has grown steadily in London, Liverpool, Manchester, Bristol, Birmingham, Sheffield, Newcastle, and Glasgow. By 1969 more than 1,100 volunteers had served in Britain. 1959 saw the beginning of the Clayton Volunteers, British counterparts of the Winants, who spend the summer in American Cities.

NEW ZEALAND:

A place few people know about; and one of those people is Cynthia (Tutti) Crawford who spent a month in New Zealand this year.

The occasion was the 60th Anniversary of the Girl Guides of New Zealand. The New Zealand Guides invited 90 overseas visitors as their guests for this occasion from many different parts of the world. Cynthia was one of a team of six young women who represented the United States of America.

Camp Rangatahi, as the camp was called, brought 2,700 women and girls together to share ideas and interests. Ten days were spent in camp under canvas and the rest of the time was spent in seeing the country and getting to know the people.

When asked how she enjoyed the trip, Cynthia replied, the food was delicious, but there is no place like home.

IS THIS WHAT HAPPENS ON CHOIR TOUR?

STUDENT TEACHERS

Student Teaching gives one an opportunity to initiate himself in the actual classroom while studying for a degree. Here, the student faces many challenges that the teacher would face in the classroom. Among some of our student teachers for the Second Semester are: Mr. Bobby Edwards—Elementary Education, Mr. Charles Major—Business Education, Miss Linda Salley—English, Mr. Stanley Bumbrey—Elementary Education, and Miss Gale Johnson—English.

YOUNG GIFTED AND BLACK

Charlie Johnson, one of our gifted football players, has done well during his four years at Saint Paul's. A Senior majoring in Social Science with a Concentrate in Sociology, Mr. Johnson has hopes of playing pro-football. He certainly looks confident in this picture. It has been rumored that he may sign a contract with the Dallas Cowboys. We wish him all the success.

Okay Guys! Got that play lined up?
